THE METAL INDUSTRY
WITH WHICH ARE INCORPORATED
THE ALUMINUM WORLD: COPPER AND BRASS: THE BRASS FOUNDER AND FINISHER:
ELECTRO-PLATERS REVIEW.

Index of Volume 16

JANUARY—DECEMBER, 1918

THE METAL INDUSTRY PUBLISHING COMPANY, 99 John Street, New York

INDEX OF VOLUME 16

ARTICLES MARKED (*) ARE ILLUSTRATED

ARTICLES

A

Page.
Acceptance of an Offer Completes the Contract 553
*American Electro-Platers Society Convention 251, 301
*Alloys of Silicon and Copper and Their High Electrical Conductivity 464
*Aluminum and Its Alloys..... 171
*Aluminum in Airship Construction..... 22
Aluminum Industry in 1917, The..... 21
*Aluminum: Its Use in the Motor Industry in England 543
Alundum Manufacture and Use..... 128

B

*Babbitt and Babbitted Bearings, Some Notes on 402
*Battlefields, The Harvest of the..... 8
*Bismuth, Its Special Value and Crystallisation 169
*Bonfire, The Great American..... 113
*Brass Army, Mobilising a 111
Brass Castings, The Expansion and Contraction 351
Brass Days in Connecticut, Early..... 218
Brass for Fuses and Other Munition Products 212
Brass Foundry, In the 72
*Brass Furnace, A Rocking Electric..... 265
*Brass Furnace, The Care of the..... 310
*Brass in the Catskill Mountains, Melting... 366
*Brass Man Gets Liberty Medal..... 368
Brass Manufacturing Plant, Installing a Cost System in a 67
*Brass Mill in the Middle West, A New.... 1
*Brass Plant, A Pioneer..... 317
*Brass Weakness 319
*Business and Liberty Loans, Big..... 159

C

Castings—"As Per Sample"..... 219
Chase, Henry S. 126
*Chemist in the Brass Mill, The..... 511
Copper and Nickel Plating, Government Specifications for 407
*Copper Barrel Plating, Hot Bright..... 5
Copper Castings for Electrical Purposes.... 221
*Copper Cyanide Plating Baths, Experiments with the 359
Copper Electrotyping 84
Copper Prices, Drive for..... 220
Cost Estimating, Methods for..... 167
Crucible Situation, Notes on the.....15, 79

D

*Design Values of Decorative Motifs. 163, 349, 504
*Die Castings, Aluminum Bronze..... 361

E

Electro-Chemistry, Elements of.161, 315, 405, 550
Electroplating and Finishing, Casket Hardware 19
*Electroplating and Its Relation to the Manufacture of Phonographs and Phonographic Records 20, 173, 269
*Electroplating Engineering..117, 209, 364, 466
Electroplating, Government Standards for.. 165
Electroplating, Military Applications of..... 498
Electroplating, Progress in..... 114
Electroplating, Work of the Bureau of Standards on 76
*Engraving and Embossing, The Art of.458, 554

F

Factory Production Cost 77
Finish, Swiss Gun Metal, The..... 170
Finishes, Black on Iron and Steel..... 509
*Foundry, Conservation in the..... 65
*Foundrymen's Convention 395
Furnaces, Choosing 119
Furnaces, Electric Melting, The Development of 355
Furnaces, Progress of Electric Metal Melting 66

G

Goes, Chauncey P. 367

H

Page.
*Hardness and Hardening 460

I

Income Under War Revenue Act, How to Report Net 81
Institute of Metals of Great Britain..... 311
Iron Castings in a Brass Foundry, Making Gray 12

L

Labor "Feasts and Famines"..... 541
Lead Plating 410, 468
*Liberty Loan, Third 157

M

Manganese and Manganese Copper, Pure Carbon Free 457
*Metal Business, on High Gear, Running the 17
*Metal Castings, The Gating of..... 495
*Metal Finishing, Artistic 214
Metal in the Plating Department, Utilization of Waste 215
*Metallic Coatings, Structure of Sprayed.... 116
Metal Statistics, Some 514
*Metal Sundae Holder, The Evolution of a.. 23
Metals Used in the Ordnance Department... 354
*Metal Trades Congress, The Allied..... 445
*Metal Tympani, The Manufacture of..... 417
*Muntz Metal (60-40) Brass by Selective Corrosion, Typical Cases of the Deterioration of 122

N

Nickel and Brass Plating of Die Castings.. 83
*Nickel Silver as Applied to the Optical Trade, Some Uses and Properties of..... 69
Nickel Upon Cast Iron from a Hot Electrolyte, The Deposition of 309
Nitre Cake for Pickling Metal..... 418

P

Plater and Practical Economy, The..... 127
Plating Industry for 1917, Review of..... 6
*Plating Shop, Order and Method in the... 557
War, A Graphic Picture of the Horrors of. 559
*Polishing and Burnishing, Steel Ball..... 24
Polishing Etched Steel Plates..... 162
Polishing Wheels, The Gluing of..... 11
*Polychromatic Finishes for Jewelry..... 75
Production Methods, Wartime 120
*Projectile, A Double Flight..... 174

R

Rust-Proofing of Iron and Steel, An Old Patent Covering the..... 259

S

Salesman as an Aid to the Brass Manufacturer in the Trade, The..... 416
Silver Plating and Oxidising Advertising Jewelry and Novelties 27
Soldering and Brazing 547
Soldering of Zinc..... 497
*Solders and Substitutes for Lead-Tin Solders 412
*Solders for Aluminum..... 500
Solder, Its Use and Abuse..... 507
Solution, Black Nickel, The Use of Sodium Sulpho-Cyanide in 26
Solutions, Zinc Cyanide..... 552
Spelter for High Grade Brass..... 175
Steel Knives, Plating 360
Steel Wool 549
Sulphuric Acid and Why, How to Conserve. 263

T

*Tin and Lead Foil, The Manufacture of.... 352
Tin, Economies in Use of..... 307
Tinning Gray Iron Castings..... 123
*Tinning of Metals, Mechanical..... 261
*Tinning the Inside of Brass Cartridge Cases and other Articles 74
Tin, The Conservation of 451
*Tubes, The War and Condenser..... 205

W

Page.
War, A Graphic Picture of the Horrors of.. 559
*War Efforts of the Midlands..... 408
*Waterbury, Conn., Preserves Landmark.... 28
*Waterbury, Conn., The Brass City, Fights the Influenza 513
*White Metal and Brasses, Separating..... 506
Women Munition Workers in France..... 467
Wrong Conditions Corrected by Education.. 314

Z

Zinc in the United States, The Production of Rolled 556
*Zincing, Commonly Known as Hot Galvanising 13

Acid to Be Used With Touchstone in Testing Gold 473
Alloy, Bronze or Gun Metal, for Hot Stampings 506
Alloy, Copper, Method of Preventing Segregation in a 87
Alloy for Electric Motor Bearings..... 181
Alloy Having No Lustre, Formula for an.... 422
Alloying Copper with Iron, Method of..... 225
Alloying 50 Copper and 50 Lead to Obtain a Homogeneous Mixture 274
Alloying Iron with Copper, Proper Method of 180
Alloy, White Metal for Ships' Cabin Fittings 518
Alloy, White Metal, that is Harder than Antimonial Lead 325
Aluminum Brass, Casting 497
Aluminum Carburetor Casting, Cause of Blow-Holes in 506
Aluminum, Method of Treating to Prevent Against Oxidization and Corrosion 324
Aluminum Pulleys on Iron Hubs, To Prevent Cracking of 132
Annealing of Brass and Copper..... 472
Antimonial Lead Castings, Back Plate for Running 324

B

Babbitt, Lead, Solders, etc., Proper Temperature for Pouring 275
Babbitt Metal to Withstand Elastic Limit.. 274
Brass Around Soft Steel Shanks, Method of Casting 324
Brass Bars (1 inch solid) for the Anode and Work Pole in Plating, Use of..... 226
Brass Castings, Reddish Color on Yellow, How to Obtain 87
Brass Disc, Cause of "Pipes" in Rolling... 472
Brass for Forgings or Die Pressed Parts, Formula for 372
Brass, Method of Eliminating Iron from.. 423
Brass Taps, Method of Reducing the Diameter of 373
Bronze, Acid Resisting, Formula for and Having a High Tensile..... 422
Bronze Castings, Manganese, To Prevent Interior Shrinkage in..... 506
Bronze Castings for Gun Carriages, Formula for 35
Bronze, Manganese, Proper Method of Casting 225
Bronze, Manganese, Proper Method of Melting, in an Open Flame Oil Furnace.... 325
Bronze, Phosphor, Cause of Spongy Castings of 226
Bronze, Phosphor, Method of Removing Phosphorus from 423
Bronze (83 Copper, 12 Tin, 1 Lead and 4 Zinc), Proper Melting of..... 226
Burnishing Cold Rolled Steel Strips..... 34
Burnishing Small Watch Case Covers..... 324

C

Casting Pewter or Soft Metal in Metal Molds, Method of..... 34
Casting Rings on Motor Rotors Instead of Soldering and Riveting Them On, Method of 422
Cleaning Auto Radiators Before Soldering, Method of 132
Coating the Inside of Plungers With Graphite by Means of a Tumbling Barrel. 373
Coloring Inside of Novelty Cases..... 34
Copper Bars Made from Scrap, Cause of Cracking When Rolling..... 373
Copper Castings, Cause of Air Holes in... 180
Copper Cast Plates, Shrinkage of..... 373
Coppered Steel Articles to Stand Rust Test. 88
Copper Lead, To Alloy..... 87
Copper Plating Carbon Brushes for Motors. 35
Copper Shells, The Spinning of..... 519
Copper Wire, Method of Cleaning, for Use in Making Anodes 422

D

Dip, Bright, for Zinc..... 565
Dip, Mercury, The Cause of Sticking of.... 565
Dip Gun Metal for Finishing Yellow Brass Buckles 87
Drilling Brass on a Drill Press, Speed for. 225

E

Page.
Enamel for Lettering on Heavy Tin Plate. 275
Etching Letters on Nickel Plated Brass Plates 423

F

Facing Sand for Use in Light Cored Aluminum Castings 225
Finish, Black Nickel by Means of the Rock Island Formula 423
Finish, Black on Steel..... 16
Finish, Blue on Steel by Cold Solution..... 34
Finish, Black on Etched Aluminum..... 565
Finish, Black, on Steel Chains as Specified by Government 225
Finish, Black, on Steel for Marking Purposes in Place of Copper..... 518
Finish, Egyptian on Silver Buckles..... 274
Finish, Fire Gilt as Produced on Buttons for Naval Uniforms..... 472
Finish, Green Gold on Steel..... 372
Finish, Jacobean on Brass, by Means of a Dip 132
Finish, Marine 270
Finish, Mottled Blue on Rifles and Revolvers 519
Finish Nickel on Brass 73
Finish, Purplish Blue on Steel..... 180
Finish, Rubber on Steel Buckles Similar to a Hard Rubber Finish..... 87
Finish, Smut for Light Green Gold..... 372
Finishes, Bronze, Gold and Silver on Baby Shoes 88
Finishing, Emery, Aluminum Cooking Utensils 225
Flux for Use in Melting Aluminum Borings 34
Flux for Use in Melting Metal in an Open Flame Furnace 518
Flux for Use in Recovering Babbitt Metal Dross 87
Flux, Non-Corrosive, for Tinning Copper Wire 225

G

Gold Color on Brass..... 7
Gold, Fine, Refining..... 325
Gold from an Old Gold Solution, Method of Recovering 275
Gold, Method of Refining..... 519
Gun Metal, Admiralty, Effect of Lead in. 180
Gun Metal, Effect of Aluminum in..... 180

L

Lacquered Goods, Spotting of..... 270
Lead Battery Plates, Reducing..... 519
Lead Battery Plates, Reducing, in a Reverberatory Furnace 423
